Whose Phone is This?

Pick an historical figure that you've learned about this year. Imagine this person had a smart phone. What might you find on their phone?

Draw the wallpaper or background image.

Check the phone's recent texts and emails. What are they about? Who is this person emailing?

What images are on the camera roll?

What are they listening to or watching?

Look at the recent activity on their web browser. What have they been doing online?
