

Students need a copy of these 4 pages.

Timing: 30 - 45 minutes

## Word Find Directions

1. Choose 20 vocabulary words and/or important people from our current unit and place them vertically, diagonally, horizontally on the blank Word Find Answers puzzle grid.

Below, write down the words you are using and a brief definition or description for each word.

Example: Jefferson – 3<sup>rd</sup> President of the U.S.:

1.

2.

3.

4

5

6

7

1

Continue to write down the words you are using and a brief or description for each word.

11.

12.

13.

14.

15.

16.

17.

18

19

20.

On the Final Word Find grid

1. Put your terms into the Final Word Find puzzle grid in the same place you put them on the Word Find Answers grid.
2. Write the terms below the puzzle grid.
3. Fill in the blank squares with random letters.

It is due at the end of class

## Word Find Answers

Final Word

## Final Word Find

A large grid of 20 columns and 20 rows, intended for drawing a picture.

Locate the following words. The words may be vertical, horizontal, or diagonal.
